USAGE DESCRIPTION

*Please describe your proposed temporary usage (make sure to include **location, date(s), time** and whether you are requiring law enforcement assistance with traffic/crowd control):*

As per the City's Land Development Regulations, and depending on the scope of the proposed temporary use, City Commission approval may be necessary. Applicants will be informed of this potential requirement once completed applications are submitted and reviewed by the City Manager. In addition, the length of the Temporary Use Permit will be left to the discretion of the City Commission.

Lyle Wilkerson, City Manager
